Vya Whisper Dry Vermouth is a delicate, graceful vermouth that's like a fine white wine with a little something extra. Featuring more than 15 botanicals, Vya Whisper Dry contains the same herbs as Vya Extra Dry, including balsam fir, which adds a soft, pine-like character to the vermouth. The botanicals are infused at a lighter concentration level, resulting in an aromatic yet lightly flavored dry white wine experience that provides a more neutral base for cocktails. Vya Whisper Dry's subtle herbs pair especially well with vodka for a smooth and aromatic martini or enjoy it on the rocks with a twist of lemon as an aperitif.
